Housing Units Planned shows the number of housing units identified on tentative/final map filings as of August 2018.

Active-adult housing units have been excluded from this report.

Active vs. Inactive Status and count of Housing Units Remaining reflect data available as of August 2018.

Additional Students Expected is calculated by applying district-wide average student yield to the number of Housing Units Remaining.

Source: CCSD, Demographics, Zoning, and GIS, *Residential Development Tracking* and Clark County Assessor's Office GIS files.

Housing Units Planned shows the number of housing units identified on tentative/final map filings as of August 2018.

Active-adult housing units have been excluded from this report.

Active vs. Inactive Status and count of Housing Units Remaining reflect data available as of August 2018.

Additional Students Expected is calculated by applying district-wide average student yield to the number of Housing Units Remaining.
