Attendance Boundary Recommendation

Recommendation will affect the existing attendance boundaries of Ruth Fyfe, E. W. Griffith, Doris M. Reed, and Vegas Verdes Elementary Schools.

The map on this flyer shows the attendance boundaries being recommended to the Clark County School District Board of School Trustees. This recommendation has been reviewed with the Superintendent and will be presented to the Board for their discussion and action on February 21, 2018. The Board of School Trustees recognizes that zoning issues affect the lives of students and families in the district.

This meeting is a public meeting. However, public testimony may be restricted by time constraints; parents may want to select other methods to voice their opinions. Board members encourage parents to communicate their support and/or concerns regarding the boundary changes recommended by AZAC by the following methods:

Send letters to board members at 5100 West Sahara Avenue, Las Vegas, Nevada 89146.

Fax messages to board members at 702-799-0257.

Leave short phone messages for board members after 5 p.m. at 702-799-1072.

Select a designated speaker to represent a group of people with like opinions. Time allotted to each speaker will be determined by the Board; speakers are usually given one or two minutes, depending on how many individuals have signed up to speak.

Implementation of elementary school boundaries (grades K-5):

All elementary school boundary changes will be effective in the 2018-2019 school year.

Recomendación afectan los limites existentes de asistencia de las escuelas primarias Ruth Fyfe, E. W. Griffith, Doris M. Reed, y Vegas Verdes.

El mapa en este folleto señala los límites de zona que se le han recomendado a la Mesa Directiva del Distrito Escolar. Las recomendaciones ya se han revisado con el Superintendente y serán presentadas a la Mesa Directiva para discutir y tomar decisiones finales, el 21 de febrero del 2018. La Mesa Directiva reconoce que los cambios de los límites de zona escolar afectan el bienestar de los estudiantes y las familias en el distrito.

Esta reunión está abierta al público. Como el tiempo para expresar sus opiniones es limitado, los padres pueden utilizar otros medios de comunicación para hacerse oír. La Mesa Directiva sugiere que los padres de familia utilicen otros medios para expresar sus comentarios tanto de apoyo como de desacuerdo a los cambios recomendados para los límites de zona escolar por AZAC. Pueden utilizar los siguientes medios:

Envíe cartas a los miembros de la Mesa Directiva a 5100 West Sahara Avenida, Las Vegas, Nevada 89146.

Envíe mensajes por Fax a los miembros de la Mesa Directiva al 702-799-0257.

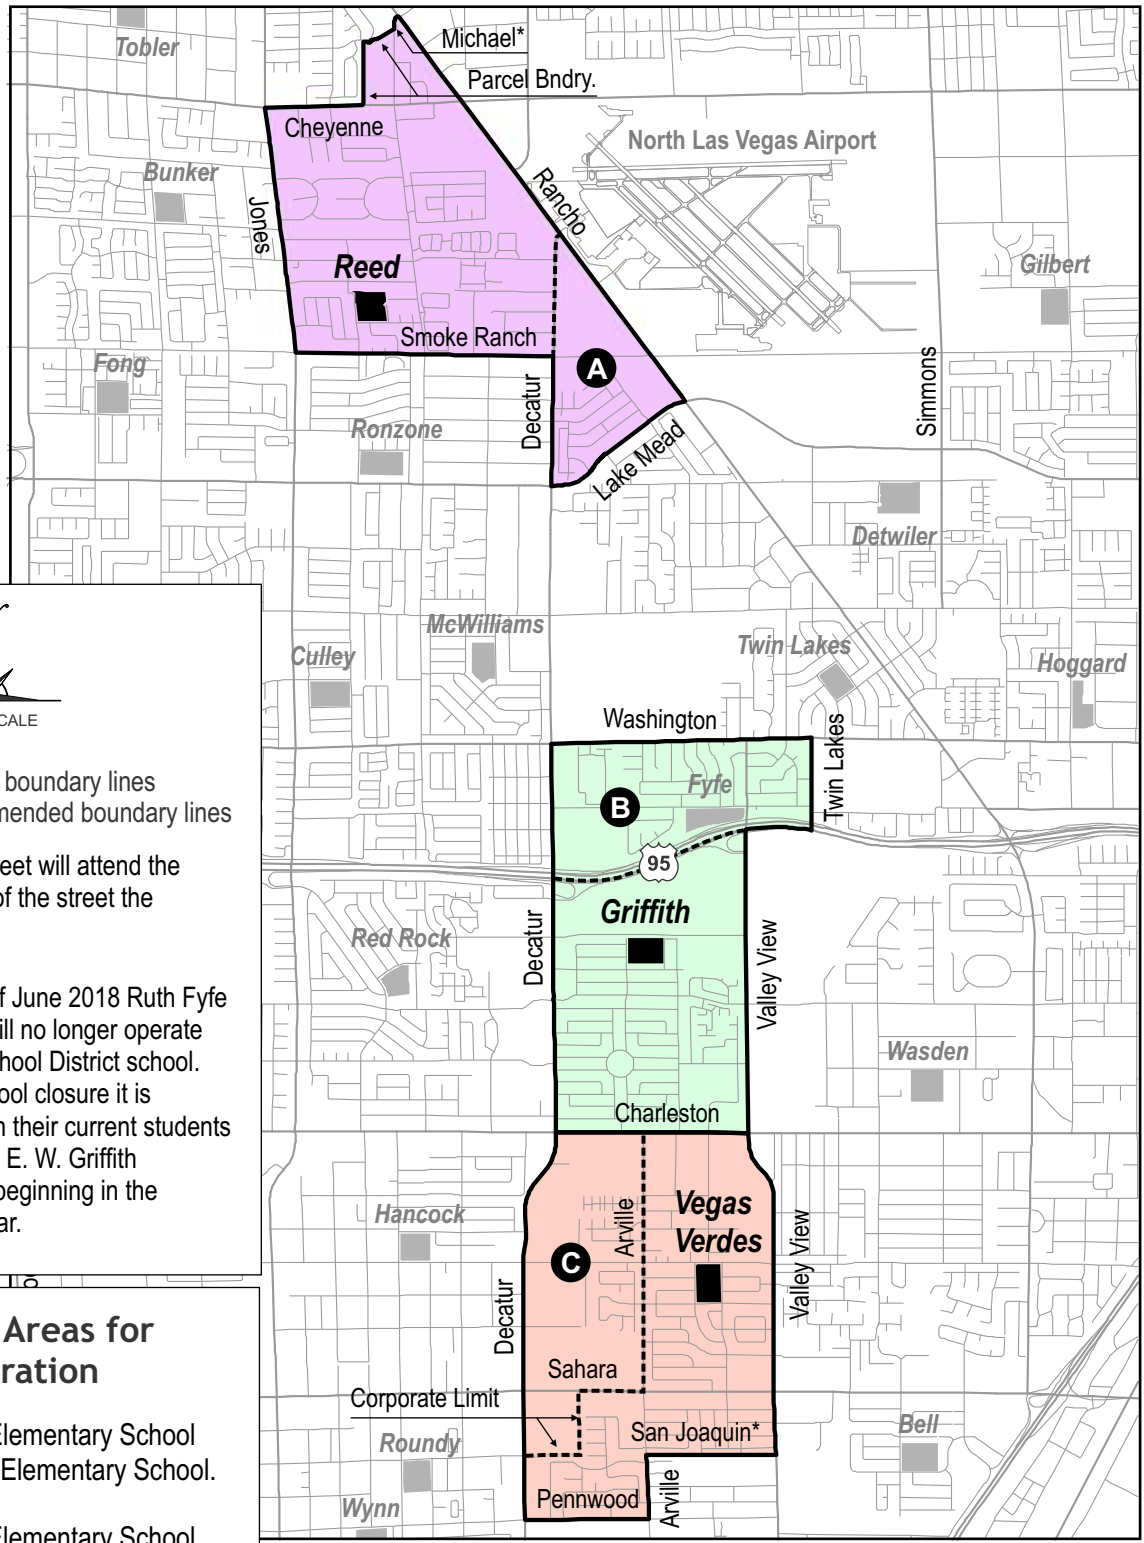

Deje un mensaje breve por teléfono para los miembros de la Mesa Directiva después de las 5 p.m. al 702-799-1072.

Seleccione un representante del grupo que comparta sus comentarios o sugerencias para que las exprese durante la reunión. El tiempo que se les permite hablar es determinado por la Mesa Directiva; usualmente se les permite hablar por uno o dos minutos, dependiendo de cuantas personas reservaron tiempo para expresar sus opiniones.

Implementación de los límites de asistencia para las escuelas primarias (grados K-5)

Todos los cambios de los límites de asistencia para las escuelas primarias serán a partir del año escolar 2018-2019.
