The map on this flyer shows the attendance boundaries being recommended to the Clark County School District Board of School Trustees. This recommendation has been reviewed with the Superintendent and will be presented to the Board for their discussion and action on February 21, 2018. The Board of School Trustees recognizes that zoning issues affect the lives of students and families in the district.

This meeting is a public meeting. However, public testimony may be restricted by time constraints; parents may want to select other methods to voice their opinions. Board members encourage parents to communicate their support and/or concerns regarding the boundary changes recommended by AZAC by the following methods:

Send letters to board members at 5100 West Sahara Avenue, Las Vegas, Nevada 89146.

Fax messages to board members at 702-799-0257.

Leave short phone messages for board members after 5 p.m. at 702-799-1072.

Select a designated speaker to represent a group of people with like opinions. Time allotted to each speaker will be determined by the Board; speakers are usually given one or two minutes, depending on how many individuals have signed up to speak.

Implementation of middle and junior high school boundaries (grades 6-8):

All middle and junior high school boundary changes will be effective in the 2018-2019 school year.

Recomendacion afectara el limite de zona de las escuelas secundarias Brian y Teri Cram, Lied, Anthony Saville, y Theron L. Swainston.

El mapa en este folleto señala los límites de zona que se le han recomendado a la Mesa Directiva del Distrito Escolar. Las recomendaciones ya se han revisado con el Superintendente y serán presentadas a la Mesa Directiva para discutir y tomar decisiones finales, el 21 de febrero del 2018. La Mesa Directiva reconoce que los cambios de los límites de zona escolar afectan el bienestar de los estudiantes y las familias en el distrito.

Esta reunión está abierta al público. Como el tiempo para expresar sus opiniones es limitado, los padres pueden utilizar otros medios de comunicación para hacerse oír. La Mesa Directiva sugiere que los padres de familia utilicen otros medios para expresar sus comentarios tanto de apoyo como de desacuerdo a los cambios recomendados para los límites de zona escolar por AZAC. Pueden utilizar los siguientes medios:

Envíe cartas a los miembros de la Mesa Directiva a 5100 West Sahara Avenida, Las Vegas, Nevada 89146.

Envíe mensajes por Fax a los miembros de la Mesa Directiva al 702-799-0257.

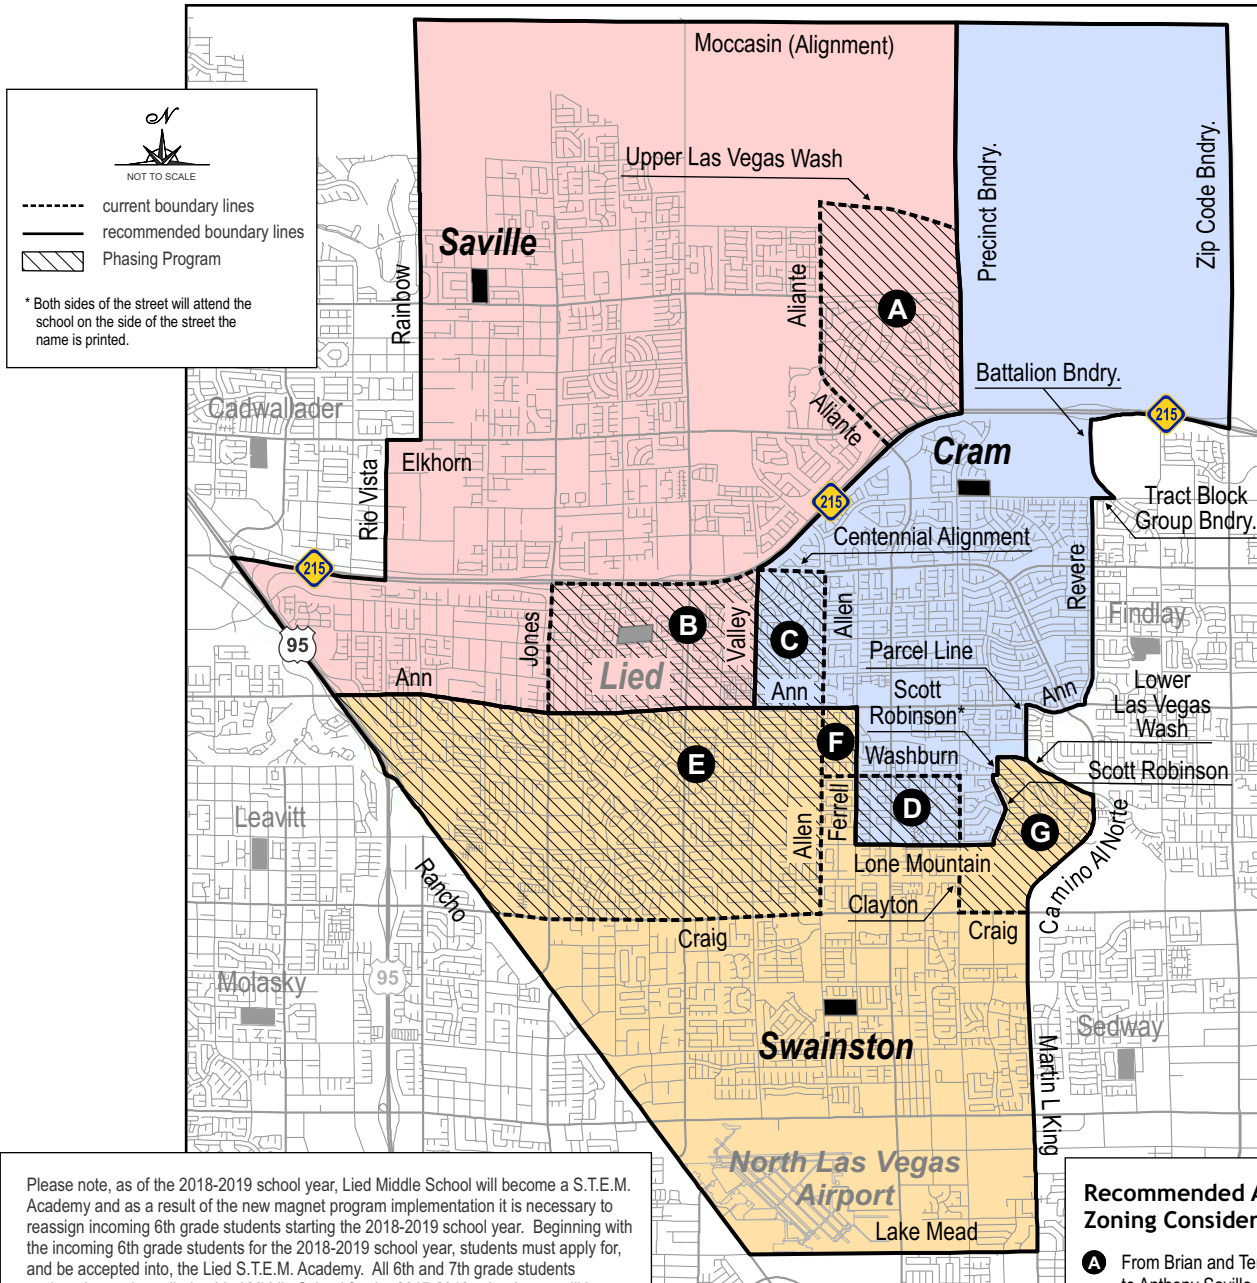

Deje un mensaje breve por teléfono para los miembros de la Mesa Directiva después de las 5 p.m. al 702-799-1072.

Seleccione un representante del grupo que comparta sus comentarios o sugerencias para que las exprese durante la reunión. El tiempo que se les permite hablar es determinado por la Mesa Directiva; usualmente se les permite hablar por uno o dos minutos, dependiendo de cuantas personas reservaron tiempo para expresar sus opiniones.

Implementacion de los limites de asistencia para las escuelas secundarias (grados 6-8)

Todos los cambios de los límites de asistencia para las escuelas secundarias serán a partir del año escolar 2018-2019.

AZAC Recommended Changes to Middle School Attendance Boundaries for 2018-2019 School Year

Please note, as of the 2018-2019 school year, Lied Middle School will become a S.T.E.M. Academy and as a result of the new magnet program implementation it is necessary to reassign incoming 6th grade students starting the 2018-2019 school year. Beginning with the incoming 6th grade students for the 2018-2019 school year, students must apply for, and be accepted into, the Lied S.T.E.M. Academy. All 6th and 7th grade students assigned to and enrolled at Lied Middle School for the 2017-2018 school year, will be allowed to continue at Lied S.T.E.M. Academy for the duration of their middle school career.

The Lied Middle School attendance boundary will be dissolved in phases, dissolving one grade level per year, beginning with the 6th grade in the 2018-2019 school year, and will continue until all grades, 6-8, have been reassigned.

Phasing Program

This attendance boundary change will occur in phases, by reassigning one grade level each year until all grades, 6-8, have been reassigned. Beginning with the 6th grade phasing will be implemented at the start of the 2018-2019 school year.

An option for older siblings to attend at their younger siblings' designated school is provided, with transportation, if eligible as indicated in Policy and Regulation 3531.

Future annual assessments of the area demographics will be conducted and may result in canceling program by implementing the entire attendance boundary adjustment, as approved, at once.
