Active Status includes properties in the construction phase, as well as those actively building, selling, leasing new housing units.

Housing Units Planned reflects the number of housing units identified on map filings as of July 1, 2020.

Active Status and Housing Units Remaining reflect data available as of July 1, 2020.

Additional Students Expected calculated by applying district-wide average student yield to Housing Units Remaining.

Active-adult housing units have been excluded from this report.
